HELP THE SCHOOLS

Vote "Yes" on the Amendments

Constitutional Amendment No. 1.
Are you in favor of amending the State Constitution by striking out of Sections 91, 93 and 95 the words "Superintendent of Public Instruction," thereby leaving to the General Assembly the power to provide by law for such officer and the method of his selection? YES X.

Constitutional Amendment No. 2.
Do you favor amending Section 186 of the State Constitution so that said section when amended shall read as follows:

"All funds accruing to the school fund shall be used for the maintenance of the public schools of the State, and for no other purpose, and the General Assembly shall by general law prescribe the manner of the distribution and use of the public school fund for public school purposes. Provided, however, that not more than ten per cent of said public school fund shall be distributed other than upon the per capita basis."

MR. AND MRS. JOHN A. BLACK LEAVE BARBOURVILLE

Mr. and Mrs. John A. Black expect to leave for Florida shortly for the benefit of Mrs. Black's health. Mr. John A. Black said the recent trip of Mrs. Black to another climate had demonstrated how beneficial a change may be to her. She will also spend much time with her sons, Henry Black, of Johnson City, Tenn., and Read P. Black, Knoxville, Tenn. Although 76 years of age Mr. Black will spend considerable time in Barbourville looking after his large interests here, the handling of which he is best qualified to do.

The lovely character of Mrs. Black has made for her a host of friends who will miss her greatly, and who hope the change of climate will prove all she desires.

TUESDAY CLUB

Mrs. Edward Faulkner entertained the Tuesday Club at her home on Main St. Tuesday afternoon, October eighteenth. Items of interest concerning South America were used as response to roll call by twenty-one members. The year books were distributed by the Program Committee.

After the business session Mrs. A. W. Hopper, leader of the day, took charge of the following program:

Buenos Aires, by Miss Gertrude Black.

Indians of Ecuador, by Mrs. Fred Burman.

(a) Republic of Colombia.

(b) Rio de Janeiro, Mrs. Hopper.

The hostess, assisted by Mrs. Catherine Swearingen and Mrs. Hugh M. Oldfield served a delightful salad course consisting of chicken salad, cranberries, banana croquets and sandwiches with hot chocolates and mints. A clever "October" contest and handpainted autumn leaves added spice to the social session.

The next hostess will be Miss Gertrude Black, Nov. 1st.

JAMES BRITAIN SLAIN

Following the usual trivial dispute which too often precedes so many murders, James Britain was shot at Harlan Tuesday and later died of the wound. He and a man named Jess Blanton had an altercation over the fact that young Britain's car had apparently backed in to the car belonging to a brother of Blanton. Britain, who was in his car remarked that he had to go to Kitts.

"I'll see you when you get back," Blanton is reported to have said. "You can see me now," Britain is reported to have said and got out of his car. The two further quarreled in an ordinary tone of voice, when a shot was heard. Britain did not fall and apparently did not know he was wounded until a friend pulled back his vest and showed him where blood was beginning to trickle thru his clothing. He was rushed to the Harlan Hospital where it was believed the wound was not serious, but it was later found the intestines had been perforated and he sank rapidly.

Blanton was then charged with murder. It is alleged he shot thru his coat and, as usual, the dead man did not have a chance for his life. The body was brought to Barbourville and interred in the Britain family graveyard.

Deceased was the son of John Britain and the nephew of P. D. Britain of this city. He was only 19 years of age.

A NIGHT ATTACK SUCCEEDS

Guy L. Dickinson, chief of ordinance, Ben C. Herndon, adjutant general, Ben Kauffman, veterinarian Russell Kauffman, deathe shamming specialist, and M. L. Snavely, chief signalling officer, went possum hunting on Paint Hill last Friday night. The possum put up the usual fierce resistance, but four fell before the intrepid attack of the armed party, which would not be denied, rushing the animals one by one. The four possum were taken to the City Cafe and were served with the usual concomitants.

LADIES AID OF THE CHRISTIAN CHURCH

The Ladies Aid of the Christian Church met in regular session on Friday, October 21st with Mrs. J. E. Archer. Thirteen members were present and two visitors, Mrs. Walter Bauer and Miss Ella Smith. We are always glad to have visitors, so come again. Our next meeting will be on Friday, Nov. 4th, at the home of Mrs. A. Y. Anderson. We have some special business to discuss among the members, so all who can possibly do so, be present.

COME WITH US

Fred Burman and Ben H. Gregory of the Advocate put down their pencil and makeup rule and quietly slid out of town Thursday night of last week, boarding the midnight train for Corbin.

Two gentlemen in first seat. One explaining to the other the only way to be saved. Further back a woman and several men discuss the Roy Sasser murder and other historical killings, with all the deadly details. Corbin:—Absorb pie and coffee and kill time.

On train to Knoxville:—Lady and two interesting children meet friend of family. Lady talks with graphophone effect from Corbin to Knoxville. Gets on Ben H's nerves. Conductors should be supplied with hypodermic syringe.

Knoxville:—Tired but lose the female lady. Hot cakes and coffee. Better.

Pretty country, lots of marble to use as evidence that one once lived. Makes even young fellows like ourselves thoughtful. Hiawasa River flowing at base of high hill is beautiful. Foliage gorgeous, reds, purples, browns and greens. River narrows and train climbs. Track above and below. Irrepressible traveller, taking notes and giving tidbits of personal history. Reminds him very much of a moonshine district in the mountains where the whiskey devil is commoner than water.

Arrive Turtle Town:—No turtles but several lumber piles.

Arrive Duck Town:—No ducks. Nomenclature baffling.

Hit top of mountain; strike another river which, from its name, must have been there in Indian days and still flowing. Queer how the water supply stays with us. Must be useful for something.

Copper Hill:—Tip Gregory used to hang out here. Doubly interesting to Ben. Eat tremendously and are well filled. Plant at work.

Blue Ridge:—One horse train of two coaches.

Murphy:—Up in hills among pine trees. Fine air. Square so wide Ben feels himself in the country. Big hotel with immense open fire place. Fooled on train service, can't get back until 5 a.m. Ben appoints editor to awaken him. Latter rotten awakener but accidentally hears 4 a.m. call. No grub but hot coffee.

Blue Ridge:—Ben on to Atlanta. Editor homeward bound and glad of it. Meet S. W. Kelly, of Ettawah, Tenn., on train. Take \$1.50 from him. Business and pleasure combined. Mist over Hiawasa. Trees sailing by like ships at sea. Here and there mist rising from water, hazy like passing memories.

Maryville by jitney:—Williamara acting as lookout. Emily deserts tennis for Uncle Fred's society. Yellow kitten pretends to remember editor. Very flattering.

Maryville College celebrating foot ball victory with bonfire. Boys and girls yell heads off and join hands in mad career around bonfire.

Sunday:—Presbyterian Church. A fine workaday sermon. Lunch attended to life's necessities. Trip thru several buildings of college. Beautiful campus and woods. A college with a real influence.

Monday home. And be it ever so humble there's no place like it.

Ben H. wandered in Thursday in time to quench the insatiable thirst of our 2,500,000 subscribers for real news.

Why worry when one has all the space the country possesses in which to wander and forget the difficulty of earping the crust we eat, the rag we wear and the hay we flop on? Much obliged, ladies and gents.

UNION COLLEGE NOTES

James Blair, teacher at High Split, visited on the campus last Saturday.

Anell, Henry and Ethel Payne's father visited them Saturday.

Mr. O. C. Garvey, of Wilmore, visited his daughter Orrie last week.

Dr. Joplin, of Louisville, gave a breezy little message in Chapel last Tuesday morning.

Eunice Lumpkins and Clyda Nelson spent the week end at Grays the guests of home folks.

Mrs. C. S. Rickotts spent the week end at her home in Manchester.

Dr. Klepfer, one of our most experienced ministers, filled the pulpit at London Saturday and Sunday, his regular appointment.

Annie Mae Smith, who had a very severe case of scarlet fever, is well again and enrolled this week as a Sophomore. We welcome her back.

The usual rhythmic games were played in the gym Saturday evening. Anybody who wants a rousing good time and wants to see folks that are having a good time should visit our gym on a Saturday night.

A basketball game was played between the faculty and college men Saturday night with a score of 43 to 8 in favor of the College boys. But watch out, boys, for our faculty is climbing—they won't think of stopping until they get to the top.

The swimming meet Saturday night given by Miss Sevier's swimming class, was one of the most interesting features given since school opened. The display showed the results of some down right hard work for both the students and those who teach. I guess it won't be safe to say which did the best, the boys or the girls. Some very pretty dives were made by both. The girls and boys are preparing to take the life saving examination in a few weeks.

BAPTIST CHURCH

A rare treat is in store for each member of the Barbourville Baptist Church beginning Sunday, Oct. 30, 9:45 and continuing thru the week. Rev. W. A. Gardiner, General S. S. Secretary for Kentucky Baptists, and also Mrs. Gardiner, the Elementary Secretary will be with us. Let every member of the Church be sure to hear Bro. Gardiner's great address Sunday morning at 11 o'clock. Bring others with you and make your arrangements to be in the services every evening thruout the week.

Bro. Gardiner will give inspirational addresses and teach the S. S. Normal Manual, etc. and Mrs. Gardiner will teach "Plans and Programs for Cradle Roll, Beginners and Primary Workers."

Let's have every member of the church, especially every one over fifteen years old enrolled in this work. Others invited to join us also.

DEATHS

Mrs. Katherine Kinder, wife of Jake Kinder, died at the home of the family Oct. 21st, from pneumonia. Deceased was nearly sixty-five years of age when called away.

Mrs. Peggy Reynolds, a widow, better known as Aunt Peggy, departed this life Oct. 20th at her home in the north of town. Deceased, who was ninety-six years of age, had never had the services of a doctor.

Aunt Harriet Adams, colored, 74 years of age, died Sunday and was buried in the Tanyard Hill cemetery Wednesday. Deceased had many friends here among white and colored people, as she was a woman of sterling character.

Arline Bays, 63 years of age, of near Artemus, passed away Monday morning. The funeral was held at the home graveyard Tuesday.

Mrs. Martha Jackson, of Stinking Creek, lost her little 18 months old daughter Sunday night. The funeral was held in the home graveyard Tuesday.

MARRIAGE LICENSES

Fayette Bond and Melissa Wright Barbourville, Oct. 24.

Lester Hensley, Ludlow, and Clara Dugger, Siler, Oct. 22.

Virgel Hutton and Birdie Fletcher, Grays, Oct. 20.

Rufus A. Johnson, Pineville, and Attie Gray, Flat Lick, Oct. 18.

FISHERMAN'S LUCK

Miss Effie Jump has caught two fish. Nothing remarkable except that they were the first she had ever caught. Mrs. W. H. Harris, Miss Sybil Harris and Miss Jump went out near King chestnutting and fishing and the first two fish that were caught fell to the hook, line and rod of Miss Jump. There was some excitement in that immediate neighborhood which was quite justified considering the circumstances.

ROCK CRUSHER ARRIVES

The 32,000 pound rock crusher of the Cumberland and Manchester Railroad arrived Saturday and is being placed at the rock quarry the other side of Fount. The crusher will be used to make rock ballast for the C. & M. road bed and will also furnish rock for any of the surrounding counties which may wish to purchase same for road work. As Knox Clay, Whitley and other near by counties expect to do lots of road work in the near future this enterprise on the part of the C. & M. should mean a big saving in the cost of crushed rock.

SOME HUSTLER

The following letter shows that out of eighteen salesmen traveling for Swann-Abram Hat Co., of Louisville, Ky., Mr. A. M. Decker, Sr. headed the house of eighteen salesmen with the biggest record for sales. As this is the biggest hat concern in the Southland, being a \$1,000,000 corporation, the final analysis shows Mr. Decker to be the largest salesman for the largest hat house in the South, a distinction which he has striven for thirty-eight and one half years to attain. We congratulate Mr. Decker on his hustling qualities as well as on his loyalty to his house. His work in this section of the country has made the Swann-Abram hat the most popular in this section.

Mr. Decker began as a young single man with this same concern making Barbourville his home. He married here and has raised a family the youngest of whom is now twenty-two years of age. In these days of flitting from place to place, this record will be hard to beat. He hesitates to say when he began lest his friends figure his present age too closely.

Louisville, Ky., Oct. 11, 1921.
Mr. A. M. Decker,
Barbourville, Ky.

Friend Andy:—

I have been intending writing you for several days to congratulate you on heading the list of sales for Swann-Abram Hat Co. for the past year. A great many people contend that the younger man is the one who gets the business but the records show that the old horse out ran them.

Hoping that this will continue for many years and with regards to self and family, I remain,

Your friend,
Arthur Board.

SAWYER A. SMITH NOW

U. S. DISTRICT ATTORNEY

We are pleased to announce the appointment of Mr. Sawyer A. Smith to the office of United States District Attorney for the Eastern District of Kentucky, with headquarters at Covington. The appointment was made by President Harding October 18th, and Mr. Smith began his work Monday Oct. 24th.

This is a high honor which has come to Mr. Smith, but is in keeping with his splendid talents as a lawyer. It is generally felt that with him as United States District Attorney, backed by his wide knowledge of criminal law, the path of the transgressor of the law will be a hard and strenuous one. There are a number of criminal cases which call for sympathy for the defendant but there are also too many which are conceived in a total disregard of the rights and well being of others. We are sure with Sawyer A. Smith prosecuting them they will know that something is happening.

His many friends will join the Advocate in wishing Mr. Smith a prosperous time in his new work.

Mr. and Mrs. Smith will make their home in Covington, Ky., but we are sure they will not forget their friends here as they also will not be forgotten. Mrs. Smith will be missed greatly in literary and civic circles in which she has had a leading part.

LIFE SENTENCE

John Wilson, who some time ago shot and killed an L. & N. patrolman at Pineville, received a life sentence Saturday at Middlesboro.

Those responsible for the murder of Roy Sasser, a young miner who was killed for his money after being taken into the woods near Middlesboro, received life sentences in the penitentiary last week.

CIVIC LEAGUE MEETING

The Civic League met at the home of Mrs. H. H. Owens, Thursday, Oct. 13th. The meeting was called to order by the president, Mrs. J. R. Tuggle, twenty-five members answering roll call.

After the business of the day and committees reported, Mrs. J. L. Stanfill, chairman of the Music Committee took charge and with her committee gave a most enjoyable musical program which consisted of a piano solo by Mrs. W. H. Buck; duet by Mrs. Wm. Dishman and Mrs. W. S. Hudson and a vocal solo by Miss Heger, of the Union College faculty.

Mrs. Elbert Evans gave sketches of the lives of the authors whose compositions were rendered by the committee.

Mrs. Stanfill gave a most interesting paper on "History of Music."

Mrs. Owens, assisted by Mrs. J. D. Black and Miss Gertrude Black, served an attractive salad course.

Skin Diseases Due To Waste Products In The Blood

For Genuine Relief Your Blood Must Be Purified.

For real, downright, harrassing discomfort, very few disorders can approach so-called skin diseases, such as eczema, tetter, boils, eruptions, scaly irritations and similar skin troubles, notwithstanding the lavish use of salves, lotions, washes and other treatments applied externally to the irritated parts. To correct the basic trouble—waste products—the blood must be purified. Don't clog your blood. Just clean it out. Nature will do the rest. Pure, rich, red blood nourishes the body and fights off disease.

S. S. S., the standard blood purifier and system builder, is the ideal remedy for skin eruptions. The effect of S. S. S. is to rid the system of the waste products which are causing the trouble. For over 50 years S. S. S. has proven to be of unusual merit. Begin taking S. S. S. today and write for 56 page illustrated booklet, "Facts About the Blood"—free.

Personal medical advice, without charge, may also be had by sending a complete description of your case. Address: Chief Medical Director, Swift Specific Co., 743 S. S. S. Laboratory, Atlanta, Ga. All good drug stores sell S. S. S.

WORN NERVES

Nervous troubles, with backache, dizzy spells, queer pains and irregular kidneys, give reason to suspect kidney weakness and to try the remedy that has helped your neighbors. Ask your neighbor!

Mrs. J. T. Beddow, N. Main St., says:—"I can recommend Doan's Kidney Pills from experience. My kidneys were weak and I suffered with nervous, dizzy headaches. I felt run down and languid and the least work tired me out. The action of my kidneys was irregular. I knew my kidneys were at fault and I purchased Doan's Kidney Pills at the Costello Drug Co. and used them as directed. They helped me in every way, strengthening my kidneys and relieving the dizziness and headaches." (Statement given November 7, 1916.)

On March 11, 1921, Mrs. Beddow added: "I still think the same of Doan's Kidney Pills as when I endorsed them four years ago. Doan's have practically cured me of the trouble and I haven't needed to use them for a long time."
